

3RD WEEK IN JULY

CALF SCRAMBLE COMMITTEE

16114 Idaho Center Blvd. Ste 4 Nampa, ID. 83687

ANNOUNCEMENT

April 1, 2013

The Snake River Stampede Directors and Calf Scramble Committee are pleased to announce the **Fifteenth Annual Calf Scramble Event to be held Tuesday night, July 16 & 20, Saturday matinee.** Last year there were 12 young people from the Treasure Valley 4-H and FFA Chapters that won a certificate by catching a calf in the event. This certificate enabled them to **acquire a purebred beef or dairy heifer.** They are now a part of their 4-H or FFA programs and will exhibit their heifers at the SRS Livestock Show during rodeo week in July.

With an increase in C S sponsorships, there **will be two CS events this year. This will mean 20 to 45 young people can be event contestants during the Tuesday night rodeo & Saturday matinee rodeo. This will enable 20 to 24 4-H or FFA members to be winners** and obtain a heifer for the 2013/14 school year. We are requesting each club or young person that has an interest in this program to submit an **application** to us so we can provide the young people and club leaders' detailed rules for the participant and the event itself. The participants should be 14 (as of 1/1/2013) to 16 years of age and not beyond beginning their senior year of high school in the **fall of 2013. Any previous CS winner may not compete a second time. In the event we have more than 45 applicants, there will be a drawing of 45 applications for eligible contestants for the 2013 calf scramble event**

We are excited to be a part of this youth activity in Idaho. We are requesting the **leaders, or individuals submit applications (enclosed) completed by the young people and mail to: Calf Scramble Committee, 1118 Heckathorn Pl, Nampa, ID 83686.** You may access the **applications on the SRS web site @ www.snakeriverstampede.com**. If you or the young people have questions, please call me at 466-8626, or cell, 880-0558.

*Rodney H. Moore, Secretary
Calf Scramble Committee*
